## THANKS

Working on the Souvenir Team has been a memorable experience as the team worked with grit, fortitude, determination and an indomitable spirit to actualize the target for the completion of the souvenir of St. Louis Church and School. We experienced a remarkable spirit of companionship, team work and camaraderie. Though the prices for the Advertisements were on the higher side we were able to materialize our stipulated target.

The members of the team were ordinary parishioners who were determined to give their all with the grace of God Almighty and the intercession of St. Louis our patron.

We also take this opportunity to thank all our patrons, donors, and well wishers who have generously supported our requests for advertisements and compliments. It is right and fitting to thank the parishioners of St. Louis Church as well as for sustaining us through their daily prayers at the Eucharist.

Together with Fr. Lawrence and David, I would like to place on record our sincere gratitude to all the members of the Souvenir team. Every single member has contributed his mite towards the actualization of his Souvenir.

May the Blessings of God Almighty and our patron St. Louis sustain all those who were part of this beautiful venture of working together as a team for the completion of this Souvenir.

**MESSAGE**

For the past many years, the Catholic community of Dahisar has felt the need for a new Church. It is indeed a great joy that the priests and parishioners have succeeded, with God's blessings, to build a new Church dedicated to St Louis.

I have no doubt that this combined effort of the priests and parishioners will bring about a closer unity which will help strengthen the community of love, the Body of Christ, in the spirit of the words of St Peter, "... like living stones, let yourselves be built into a spiritual house to be a holy priesthood to offer spiritual sacrifice acceptable to God through Jesus Christ" (1 Peter 2:5).

I want to express my sincere thanks to the Holy Cross Fathers for their pastoral services in favour of God's holy people at Dahisar. May God reward them abundantly.

I pray for God's blessings on the priests and people of this parish and wish them every success in establishing God's Kingdom here on earth.
